

# Advent Contentment Calendar

Start a coin jar or a book today. Each night in the coming 24 days to Christmas please stop for 5 minutes. Then go and count up whatever is listed for that day and place in the jar or write in the book. Spend a moment considering what life would be like without that gift. Then pray for those who do not have these things...

At the end add up what you collected or wrote down and donate it to those in need. We suggest you commit at the start to a cause. The best possible cause would be: ALWS Australian Lutheran World Service - [alws.org.au](http://alws.org.au) - and we also recommend Compassion Australia.
